

## LANCASTER AIRPORT CLEANFILL SITE DUMPING VIOLATION POLICY

The Lancaster Airport Authority (LAA) has restrictions on what is permitted and not permitted to be dumped in the cleanfill site located at 500 Airport Road, Lititz, PA. It is the responsibility of the owner/operator to be aware of the materials being tipped.

**All loads entering the cleanfill must be uncovered prior to entry.** This allows the Airport Authority to observe what is being dumped. Please instruct your drivers to uncover load prior to opening the rolling gate. Violation of this policy will result in a minimum \$300 penalty fee.

Minimum violation fee begins at \$300 in addition to the \$100 tipping fee per load. Any materials dumped in violation of environmental regulations may be required to be removed by the offending company at their own cost.

A summary of permitted and prohibited items are listed on the back of this notice.
